

CUSTOMIZED PACKAGING, UNLIMITED POSSIBILITIES

ABOUT US

Jay Boxes is proud to be one of Gujarat's most reputable names in multicolor printing and packaging. Located in Visnagar, Mehsana, our expansive facility spans over 60,000 sq. ft., equipped with advanced technology and resources dedicated to providing top-quality packaging solutions.

Our philosophy is simple yet powerful: every project, big or small, deserves utmost attention. This commitment has become our driving force and the foundation of our success in the industry.

OUR MISSION

To empower businesses with premium packaging solutions that enhance brand identity, ensure product safety, and promote environmental sustainability through innovation, precision, and customer-centricity.

OUR VISION

To become a global leader in innovative and sustainable packaging solutions, continuously exceeding client expectations with superior quality, advanced technology, and unmatched creativity.

From Storage to Shipping We've Got You Covered

A box is more than just a container; it's a solution for storage, protection, and transportation. Designed with durability and functionality in mind, boxes come in various shapes, sizes, and materials to suit diverse needs.

Our production takes place on machines of the newest generation with Online UV, Dleep Off, special colors, fluorescent colors, Aquas Coating and dispersion varnish. We have complete set of modern machinery which enabled us to automatic punching, perforate, foil, paste and finish with UV varnish on all type of surfaces.
